

The Educator Card

The Educator Card is available for anyone who teaches in a K-12 school or licensed childcare center. This library card allows you to borrow Teacher Collections and other materials for your classroom without using your personal library card.

You must present identification with your name and current address and proof as an eligible educator.

Some of the Educator Card's advantages:

- It can be used at any Columbus Metropolitan Library location.
- You can borrow up to 50 books, 30 audio books and music and 10 DVDs or videos.
- You will not be charged fines unless the amount exceeds \$25 during the school year.
- There is special consideration given for five lost items per year.
- This card is good for three years.

Your responsibilities with this card:

- These special considerations apply only to items checked out on this card. If you check out items for your classroom on your personal card, the usual fines and charges apply.
- You must inform the library if your permanent residence or your school location changes.
