BID INFORMATION LETTER 01

To All Parties:
We are providing additional clarifications to the previously issued documents. Please incorporate into your bids and submissions will still be due on:

Monday, February 8, 2021, no later than 12:00 PM.

ALL Bidder’s
All documents included within the revised table of contents in 000110 table of contents should be utilized for this submission. Any documents provided via this addendum supersede any of those previously issued. Note that the color red has been utilized (as a courtesy) to indicate those items that may have been updated or are new, but we may not have captured all changes in this color.

<tr>
<td>1</td>
<td>1/21/2021</td>
<td>Question from pre-bid meeting: What is the difference between Addendum and Information Letter</td>
<td>An addendum is a drawing or spec revision issued by the architect/engineer. Turner accompanies the addendum provided by the designer with an Information Letter that has additional information which may include bid Q&amp;As, bid or scope information, plus a summary of the addendum.</td>
<td>1/21/2021</td>
<td>2/3/21 in Information Letter 1</td>
</tr>
<tr>
<td>2</td>
<td>1/21/2021</td>
<td>Question from pre-bid meeting: Do all pages of the bid manual (safety manual, contract sample, etc.) need to be initialed/submitted with bid.</td>
<td>No. Reference the Instruction to Bidders and Bid Form for required documents to be submitted with the bid. It is assumed that bidder is prepared to comply with all bid manual documents if submitting a bid.</td>
<td>1/21/2021</td>
<td>2/3/21 in Information Letter 1</td>
</tr>
<tr>
<td>3</td>
<td>1/26/2021</td>
<td>Gahanna – All floor boxes currently have &quot;0&quot; data lines assigned. Is this an actual count or should we assume a certain number of data to the floor boxes?</td>
<td>This is an actual count but see revised counts on updated sheets T201 and T202, dated 1/25/21.</td>
<td>2/3/2021</td>
<td>2/3/21 in Information Letter 1</td>
</tr>
<tr>
<td>4</td>
<td>1/26/2021</td>
<td>There is no defined elevation or floor layout for the MDF. Are there any assumptions as to quantities of network racks, cable organizers, ladder tray, etc. to be made or should we spec off the Gahanna layout?</td>
<td>For purpose of bid, spec off Gahanna layout.</td>
<td>2/3/2021</td>
