

CML 18-001
Managed Print Services
Response to Questions

1. Are you open to replacing the Xerox equipment? – **The Xerox equipment will not be replaced at this time**
2. Is the current equipment (143 HP and Xerox printers/copiers) owned or leased? If leased, when does it expire? - **Owned**
3. I noticed that some locations are not listed such as the Northwest branch on Hard Rd. Do you plan on adding this one or any other locations? – **Northwest Branch is a cooperative project of the Worthington Libraries and Columbus Metropolitan Libraries and is managed by the Worthington Libraries.**
4. You had a Managed Print RFP back in 2014 (RFP #CML 14-017). Is this replacing that program? **Yes, the current contract is expiring**
5. Would you consider a partial award for just the HP printers? **It is possible but not optimal**
6. Is switching manufacturers make/model an open option? – **Not at this time. Printers are owned by CML.**
7. How many units are there of each model? -

Model Number	Number of Units
HPCLJ5550	1
HPCLJVP3505	2
HPVP3525	10
HPLJ2300	1
HPLJM451	7

8. Page 3, Scope of Work – Please provide clarification on how it is expected that the Offeror will collect monies from the cash vending and distribute to CML. How is this process currently being done? **Money is collected weekly, reconciled monthly, and a check sent to CML.**
9. How can model replacements be offered in the RFP proposal? **The Offeror should include in its Proposal**
10. Does CML have credit card readers and gateway processing in place already? **No we do not**
11. As long as it isn't drill and fill, is compatible authorized toner permissible? **CML prefers OEM but if this is something you do not do, the Offeror should include in its Proposal**
12. Can CML please provide quantities for each model, including usage per model? **See below**
13. On color models, can CML please provide a break out of monochrome and color separately? **See below**

14. 3.) How many printers are locally connected? **10** Can CML please provide model information for those locals? **Our current provider does not support locally connected printers**
15. *Appendix A; #3; line a.: States that the scope of services provided by contractor will cover all networked printers. Is contractor to exclude local machines? **Yes**
16. Can CML provide the make/model for Locals and percentage of use in comparison to "Use Cases" since they are factored in the report provided? **Not at this time**
17. Which devices are cash vending? "Use Cases", states that they are excluded from report. **We have coin-ops devices connected to all HP and Xerox models**
20. Can you please provide additional information related to:
- i. Addition of credit card readers & gateway processing on current equipment not yet been determined. **Currently, we do not have a solution and believe it is important to provide our customers with this option.**
 - ii. Assist CML in the exploring and potential implementation of digital faxing. **Our customers struggle with faxing directly from our Xerox devices. Digital faxing may help resolve these issues.**
21. Please clarify your expectations regarding the overall role of an MBE? **The information Submitted regarding MBE participation is primarily for tracking purposes.**
22. Regarding the vending coin machines:
- i. Can you please list the model of vending device and what model of copier/printer they are current connected to? **JAMEX ACS1200**
 - ii. Can you please clarify your expectations of "Provide upgrades when bills or coins are redesigned"? **Provide hardware/software updates if needed. Test machines to make sure new bills/coins function properly**
23. Can CML provide a breakout of the current printers/copiers, including:
- Quantity of each model
 - Volume breakdown by model
 - Quantity of networked vs. local units
