### **Qualifications**

The Columbus Metropolitan Library ("Library") seeks to establish a prequalified listing of firms that will be available to provide surveying services for multiple projects over the course of five years. Any firm selected to be included on the prequalified list must update its qualifications annually to remain on the list. Qualified firms will be ranked per project at the time when the Library is ready to begin the project. Projects may be added or deleted at the Library's discretion. The Library will assume that each firm submitting its qualifications in response to this RFQ is interested in all aspects of the scope of this RFQ.

### **Background**

The Library is a county district library established in accordance with §3375.20 of the Ohio Revised Code. The Library, which is a separate legal entity, is financially, managerially and operationally independent from both Franklin County and the City of Columbus. The Library is a fully funded political subdivision and receives the majority of its funding from the State of Ohio and locally voted property taxes.

- Provide 2-Dimensional CAD ("Computer Aided Design") drawing with appropriate notations (scale, layers, tags, etc.).
- Provide 3-Dimensional CAD drawing with appropriate notations (scale, layers, tags, etc.).

In addition, the Library views the ability to collaborate with CML staff and other design professionals as a critical component of success. Qualified firms must demonstrate the ability to work with all members of the project team as a cohesive team.

The Library reserves the right to contract with and add a supplemental library design architect/engineer/consultant to any project.

Minority Business Enterprises are encouraged to respond to this solicitation.

### **COMPLIANCE WITH APPLICABLE LAWS**

By submitting a Proposal for Work on the Project, the Bidder acknowledges that it is in compliance with applicable federal, state, and local laws and regulations, including, but not limited to, the following:

**Equal Employment Opportunity/Nondiscrimination.** The Bidder agrees that if it is awarded a contract that in the hiring of employees for performance of work under the Contract or any subcontract, neither it nor any subcontractor, or any person acting on its behalf or its subcontractor’s behalf, by reason of race, creed, sex, disability as defined in Section 4112.01 of the Ohio Revised Code, or color, shall discriminate against any citizen of the state in the employment of labor or workers who are qualified and available to perform work to which the employment relates. Specific criteria that will be considered during the evaluation include:

- Evidence of site and systems design and technical excellence/innovation
- Public/Civic/Library design experience
- Team qualifications, references and demonstrated capacity to implement and complete
- Approach to collaboration with Library staff and other design professionals
- Quality of the SOQ, including adherence to instructions
- References
- Proposed modifications to the Terms and Conditions

The Library reserves the right to waive irregularities in any SOQ submission, to request additional information from any firm that submits its qualifications and a SOQ for consideration, and to reject any or all submittals. The submission of a firm's qualifications does not result in any right to be included in the prequalified file of design professionals if the Library's selection team determines that the firm is not qualified to provide design services.

### **Qualification Process**

1. RFQ documents and any amendments will be made available on the Doing Business with CML page of the Columbus Metropolitan Library website, [www.columbuslibrary.org](http://www.columbuslibrary.org). In addition, the notice of the RFQ will be announced on the State of Ohio Office of Procurement Services Website and the Library's website (at minimum).
2. The selection team will review all SOQs, identifying firms that meet the minimum qualifications and create the list of pre-qualified firms. Each firm submitting a SOQ will be notified of their qualification status.
3. The library reserves the right to conduct interviews with select firms during the qualification process.
4. All qualified firms, including both those selected and not selected for any project, will remain on the prequalified list of architectural & engineering firms capable of providing services during the term identified in this RFQ. Any firm selected to be included on the prequalified list must update its qualifications annually to remain on the list.

**Firm Selection Process**

Qualified firms will be selected on a per project basis. Projects are anticipated to start between 2020-2024. Qualified firms will be ranked per project at the time when the Library is ready to begin the project. The Library will notify the top ranked firm to discuss availability to complete the work, verify scope of work, and negotiate a fee proposal. If the top ranked firm is not available to complete the work or the fee proposal is not acceptable to the Library, the Library will go to the next ranked firm.

## Contract Terms and Conditions

### **Contract Components, Entirety, Changes Interpretation**

**Contract Components:** This contract consists of the complete Invitation to Bid (ITB), including the Instructions and Interpretations to Bidder, the Contract Terms and Conditions, the Special Contract Terms and Conditions (if any), the specifications, and any written addenda to the ITB; the completed sealed written Bid, including proper modifications, clarifications and samples; and applicable, valid Columbus Metropolitan Library (CML) purchase orders or other ordering documents (together referred to as the "Contract"). The terms solicitation and Invitation to Bid (ITB) have similar meaning and are used interchangeably, where appropriate.

**Entire Agreement; Parties to the Contract:** This contract is the entire agreement between the individual or entity selected to provide equipment, supplies and/or services on the basis of a Bid submitted to CML in response to an ITB (referred to as the "Supplier" or the "Contractor" in these Terms and Conditions) and Columbus Metropolitan Library (CML). References to "Vendor" in any of the contract components are deemed to refer to the Supplier or Contractor selected to provide the specified equipment, supplies and/or services that are the subject of the Contract.

**Contract Changes:** Waivers, Changes or Modifications to this Contract must be made in writing and signed by both parties. If a party to this Contract does not demand strict performance of any item of this Contract, the party has not waived or relinquished any of its rights; the party may at any later time demand strict and complete performance of the term.

**Contract Orders:** CML will order products, supplies or services under this Contract from the Supplier directly. The Supplier may receive purchase orders by telephone, facsimile, electronically or in person by authorized employees of CML.

**Subcontracting:** The Contractor may not enter into subcontracts for the Work after award without written approval from CML. The Contractor will not need CML's written approval to subcontract for the purchase of commercial goods that are required for satisfactory completion of the Work. All subcontracts will be at the sole expense of the Contractor unless expressly stated otherwise in the Contract. CML's approval of the use of subcontractors does not mean that CML will pay for them. The Contractor will be solely responsible for payment of its subcontractor and any claims of subcontractors for any failure of the Contractor or any of its other subcontractors to meet the performance schedule or performance specifications for the Project in a timely and professional manner. The Contractor will hold CML harmless for and will indemnify CML against any such claims.

The Contractor will assume responsibility for all Deliverables whether it, a subcontractor, or third-party manufacturer produces them in whole or in part. Further,

CML will consider the Contractor to be the sole point of contact with regard to contractual matters, including payment of all charges resulting from the Contract. The Contractor will be fully responsible for any default by a subcontractor, just as if the Contractor itself had defaulted.

If the Contractor uses any subcontractors, each subcontractor must have a written agreement with the Contractor. That written agreement must incorporate this Contract by reference. The agreement must also pass through to the subcontractor all provisions of this Contract that would be fully effective only if they bind both the subcontractor and the Contractor. Among such provisions are the limitations on the Contractor's remedies, the insurance requirements, record keeping obligations, and audit rights. Some sections of this Contract may limit the need to pass through their requirements to subcontracts to avoid placing cumbersome obligations on minor subcontractors. This exception is applicable only to sections that expressly provide exclusions for small-dollar subcontracts. Should the Contractor fail to pass through any provisions of this Contract to one of its subcontractors and the failure damages CML in any way, the Contractor will indemnify CML for the damage.

#### **Standard Invoice and Payment**

**Invoice:** The Contractor shall submit invoices to Accounts Payable, Finance Department via the following e-mail address: [accountspayable@columbuslibrary.org](mailto:accountspayable@columbuslibrary.org). The invoice must be a proper invoice to receive consideration for payment. A "proper Invoice" is defined as being free of defects, discrepancies, errors or other improprieties. Improper invoices will be returned to the Supplier noting the areas of discrepancy.

**Payment:** In consideration for the Supplier's performance, CML will pay the Supplier as invoiced. *Payments will be made by electronic funds transfer (EFT)*. For all transactions, the Supplier must have a valid W-9 form on file with the Finance Department. The completed form should be included with the Bid or mailed to: Finance Department, Columbus Metropolitan Library, 96 South Grant Avenue, Columbus, Ohio 43215.

**Payment Due Date:** CML will pay invoices 30 days after it has received an invoice for products, supplies and services it has received and accepted.

**Taxes:** Columbus Metropolitan Library is exempt from all federal, state and local taxes as CML is part of Franklin County Government and has a 501 nonprofit status.

**Term of Contract:** This Contract is effective on the date it is fully-executed and will continue until the Project is completed, unless cancelled in accordance with the Terms found herein.

**Contract Renewal:** This Contract may be renewed solely at the discretion of CML for a period of one month. Any further renewals will be by mutual agreement of both parties, as stated herein. The cumulative time of all renewals may not exceed two (2) years.

## **Delivery**

**F.O. B. The Place of Destination:** Where applicable, the Supplier must provide the products, supplies or services under this Contract F.O.B., the place of delivery/destination, unless otherwise stated. The address of delivery will be specified by the purchase order or other ordering document. Freight will be prepaid and included, unless otherwise stated.

**Time of Delivery:** [Not required]

**Minimum Orders-Transportation Charges:** [Not required]

## **Contract Cancellation; Termination; Remedies**

**Contract Cancellation:** If a Supplier fails to perform any one of its obligations under this Contract, it will be in default, and CML may cancel this Contract in accordance with this section. The cancellation will be effective on the date delineated by CML.

- A. **Contract Performance is Substantially Endangered:** If the Supplier's default is substantial and cannot be cured within a reasonable time, or if CML determines that the performance of the contract is substantially endangered through no fault of CML, CML may cancel this Contract by written notice to the Supplier.
- B. **Cancellation by Unremedied Default:** If a Supplier's default may be cured with a reasonable time, CML will provide written notice to the Supplier specifying the default and the time within which the Supplier must correct the default. If Supplier fails to cure its default in the time required, CML may cancel this Contract by providing written notice to the Supplier. If CML does not give timely notice of default to Supplier, CML has not waived any of its rights or remedies concerning the default.
- C. **Cancellation by Persistent Default:** CML may cancel this Contract by written notice to Supplier for defaults that are cured but persistent. "Persistent" means three or more defaults. After CML has notified Supplier of its third default, CML may cancel this Contract without providing Supplier with an opportunity to cure, if the Supplier defaults a fourth time. CML shall provide written notice of the termination to the Supplier.
- D. **Cancellation for Financial Instability:** To the extent permitted by law, CML may cancel this Contract by written notice to Supplier if a petition in bankruptcy or similar proceedings has been filed by or against the Supplier.

**Contract Termination:** CML may terminate this Contract for convenience after issuing 30 days written notice to the Supplier.

**Remedies for Default:**

- A. Actual Damages. The Supplier is liable to CML for all actual and direct damages caused by the Supplier's default. CML may buy substitute supplies or services, from a third party, for those that were to be provided by the Supplier, and CML may recover the costs associated with acquiring substitute supplies or service, less any expenses or costs saved by the Supplier's default, from the Supplier.
- B. Deduction of Damages for Contract Price. CML may deduct all or any part of the damages resulting from Supplier's default from any part of the price still due on the Contract, after CML has provided prior written notice to Supplier of such default and intent to deduct damages from the Contract Price.

**Force Majeure:** If CML or Supplier is unable to perform any part of its obligation under this Contract by reason of force majeure, the party is excused from its obligations, to the extent that its performance is prevented by force majeure, for the duration of the event. The party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Contract. The term "force majeure" means without limitation: Acts of God, such as epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, and any other severe weather; explosions; arrests; restraint of government and people; strikes; and any other like events or any other cause that could not be reasonable foreseen in the exercise of ordinary care, and that is beyond the reasonable control of the party.

**CML Consent to Assign or Delegate.** The Supplier may not assign any of its rights under this contract unless CML consents to the assignment or delegation in writing. Any purported assignment or delegation made without CML's written consent is void.

**Indemnification:** Supplier will indemnify CML, its employees, members of the Board of Trustees, and its Officers and administrators for any and all claims, damages, lawsuits, costs, judgments, expenses, liabilities that may arise out of, or are related to, the Contractor's performance under this Contract, including the performance by Contractor's employees and agents and any individual or entity for which the Contractor is responsible.

**Confidentiality:** Supplier may learn of information, documents, data, records and other material that is confidential in the performance of this Contract. Supplier may not disclose any information obtained by it as a result of the Contract without written permission from CML. Supplier must assume that all CML information, documents, data, records or other material are confidential.

**Publicity:** Supplier and any of its subcontractors may not use or refer to this Contract to promote or solicit Supplier's or subcontractor's supplies or services. Supplier and its subcontractors may not disseminate information regarding this Contract, unless agreed to in writing by CML.

**Governing Laws; Severability:** The Laws of the State of Ohio govern this Contract, and venue for any dispute will be exclusively with the appropriate court of competent jurisdiction in Franklin County, Ohio. If any provision of the Contract or the application of

any provision is held by a court of competent jurisdiction to be contrary to law, the remaining provisions of the Contract will remain in full force and effect to the extent that the remaining provisions continue to make sense.

**Workers Compensation:** The Supplier shall carry Workers' Compensation Liability Insurance as required by Ohio law for any Work to be performed within the State of Ohio. Failure to maintain Workers Compensation Liability Insurance for the duration of the contract and any renewal hereto will be considered a default.

**Automobile and General Liability Requirements:** During the term of the Contract and any renewal hereto, the Supplier, and any agent of the Supplier, at its sole cost and expense, shall maintain a policy of automobile liability and commercial general liability insurance as described in this clause. Copies of the respective insurance certificates shall be filed with the Purchasing Division within seven (7) calendar days after notification by the CML of its selection of the Supplier to provide the specified supplies and/or services. Failure to submit the insurance certificates within the time period will result in the Bidder's Bid not being considered. Said certificates are subject to the approval of the CML Manager of Purchasing and shall contain a clause or endorsement providing thirty (30) days prior written notice of cancellation, non-renewal or decrease in coverage will be given to the Manager of Purchasing. Failure of the Supplier to maintain this coverage for the duration of the Contract, and any renewals, thereto may be considered a default.

**Automobile Liability:** Automobile Insurance is required for anyone coming onto CML branches and/or property to deliver goods or perform services using a vehicle, which is owned, leased, hired, or rented by the Supplier. Any Supplier, broker, or subcontractor who will be on CML property, but not delivering goods or performing services, is required to carry Automobile Liability Insurance that complies with the state and federal laws regarding financial responsibility. Automobile liability insurance, including hired, owned, and non-owned vehicles used in connection with the Work, shall have a combined single limit coverage covering personal injury, bodily injury (including death) and property damage of not less than \$2,000,000 per accident.

**Commercial General Liability:** The Supplier shall maintain insurance coverage with a \$2,000,000 annual aggregate and a \$1,000,000 per occurrence limit for bodily injury, personal injury, wrongful death and property damage. The defense cost shall be outside of the policy limits. Such policy shall designate CML as an Additional Insured, as its interest may appear. The policy shall also be endorsed to include a blanket waiver of subrogation. The certificate shall be endorsed to reflect a per project/per location General Aggregate limit of \$2,000,000. If the Supplier uses an umbrella/excess policy to meet the required limits, it is understood that the policy shall follow from per project/per location basis. It is agreed upon that the Supplier's commercial general liability insurance shall be primary over any other coverage. The Purchasing Division reserves the right to approve all policy deductibles and levels of self-insurance retention.

**Contract Compliance:** The participating CML branches and departments will be responsible for the administration of the Contract and will monitor the Supplier's performance and compliance with the terms, conditions and specifications of the Contract. If a branch or department observes any infraction, such infraction shall be documented and conveyed to the Supplier for immediate correction. If the Supplier fails to rectify the infraction, the department/branch will notify the Purchasing Division in order to resolve the issues. These terms and conditions will be used by the Purchasing Division to resolve the issues.

**Warranties:** Unless otherwise stated, all supplies shall be new and unused. All products shall carry manufacturer's warranties in addition to implied warranties. The Supplier warrants all supplies to be free from defects in labor, material, and workmanship (manufacturing) and be in compliance with the contract specifications.
