

### Questions and Responses 11.28.18 HVAC

1. Can you please send us the list of filters that need replaced for each unit? I know you are providing them but we are replacing them and need to know how many there are.  
CML will be providing all air filters. See Addendum 1 for a list of the filters. MLK and Dublin are not up to date.
2. Can you also send us a list of the Belt quantities and sizes that need changed per unit?  
CML will be providing all belts. We do not have a list of all the sizes.
3. Do you have sizes or CFM of the Air Handlers?  
We do not have the CFM sizes of HVAC units.
