Contract Terms and Conditions

Contract Components, Entirety, Changes Interpretation

Contract Components: This contract consists of the complete Invitation to Bid (ITB), including the Instructions and Interpretations to Bidder, the Contract Terms and Conditions, the Special Contract Terms and Conditions (if any), the specifications, and any written addenda to the ITB; the completed sealed written Bid, including proper modifications, clarifications and samples; and applicable, valid Columbus Metropolitan Library (CML) purchase orders or other ordering documents (together referred to as the “Contract”). The terms solicitation and Invitation to Bid (ITB) have similar meaning and are used interchangeably, where appropriate.

Entire Agreement; Parties to the Contract: This contract is the entire agreement between the individual or entity selected to provide equipment, supplies and/or services on the basis of a Bid submitted to CML in response to an ITB (referred to as the “Supplier” or the “Contractor” in these Terms and Conditions) and Columbus Metropolitan Library (CML). References to “Vendor” in any of the contract components are deemed to refer to the Supplier or Contractor selected to provide the specified equipment, supplies and/or services that are the subject of the Contract.

Contract Changes: Waivers, Changes or Modifications to this Contract must be made in writing and signed by both parties. If a party to this Contract does not demand strict performance of any item of this Contract, the party has not waived or relinquished any of its rights; the party may at any later time demand strict and complete performance of the term.

Contract Orders: CML will order products, supplies or services under this Contract from the Supplier directly. The Supplier may receive purchase orders by telephone, facsimile, electronically or in person by authorized employees of CML.

Subcontracting: The Contractor may not enter into subcontracts for the Work after award without written approval from CML. The Contractor will not need CML’s written approval to subcontract for the purchase of commercial goods that are required for satisfactory completion of the Work. All subcontracts will be at the sole expense of the Contractor unless expressly stated otherwise in the Contract.

CML’s approval of the use of subcontractors does not mean that CML will pay for them. The Contractor will be solely responsible for payment of its subcontractor and any claims of subcontractors for any failure of the Contractor or any of its other subcontractors to meet the performance schedule or performance specifications for the Project in a timely and professional manner. The Contractor will hold CML harmless for and will indemnify CML against any such claims.

The Contractor will assume responsibility for all Deliverables whether it, a subcontractor, or third-party manufacturer produces them in whole or in part. Further, CML will consider the Contractor to be the sole point of contact with regard to contractual matters, including payment of all charges resulting from the Contract. The Contractor will be fully responsible for any default by a subcontractor, just as if the Contractor itself had defaulted.
If the Contractor uses any subcontractors, each subcontractor must have a written agreement with the Contractor. That written agreement must incorporate this Contract by reference. The agreement must also pass through to the subcontractor all provisions of this Contract that would be fully effective only if they bind both the subcontractor and the Contractor. Among such provisions are the limitations on the Contractor's remedies, the insurance requirements, record keeping obligations, and audit rights. Some sections of this Contract may limit the need to pass through their requirements to subcontracts to avoid placing cumbersome obligations on minor subcontractors. This exception is applicable only to sections that expressly provide exclusions for small-dollar subcontracts. Should the Contractor fail to pass through any provisions of this Contract to one of its subcontractors and the failure damages CML in any way, the Contractor will indemnify CML for the damage.

B. Deduction of Damages for Contract Price. CML may deduct all or any part of the damages resulting from Supplier’s default from any part of the price still due on the Contract, after CML has provided prior written notice to Supplier of such default and intent to deduct damages from the Contract Price.

Force Majeure: If CML or Supplier is unable to perform any part of its obligation under this Contract by reason of force majeure, the party is excused from its obligations, to the extent that its performance is prevented by force majeure, for the duration of the event. The party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Contract. The term “force majeure” means without limitation: Acts of God, such as epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, and any other severe weather; explosions; arrests; restraint of government and people; strikes; and any other like events or any other cause that could not be reasonable foreseen in the exercise of ordinary care, and that is beyond the reasonable control of the party.
CML Consent to Assign or Delegate. The Supplier may not assign any of its rights under this contract unless CML consents to the assignment or delegation in writing. Any purported assignment or delegation made without CML’s written consent is void.

Indemnification: Supplier will indemnify CML, its employees, members of the Board of Trustees, and it’s Officers and administrators for any and all claims, damages, lawsuits, costs, judgments, expenses, liabilities that may arise out of, or are related to, the Contractor’s performance under this Contract, including the performance by Contractor’s employees and agents and any individual or entity for which the Contractor is responsible.

Confidentiality: Supplier may learn of information, documents, data, records and other material that is confidential in the performance of this Contract. Supplier may not disclose any information obtained by it as a result of the Contract without written permission from CML. Supplier must assume that all CML information, documents, data, records or other material are confidential.

Publicity: Supplier and any of its subcontractors may not use or refer to this Contract to promote or solicit Supplier’s or subcontractor’s supplies or services. Supplier and its subcontractors may not disseminate information regarding this Contract, unless agreed to in writing by CML.

Governing Laws; Severability: The Laws of the State of Ohio govern this Contract, and venue for any dispute will be exclusively with the appropriate court of competent jurisdiction in Franklin County, Ohio. If any provision of the Contract or the application of any provision is held by a court of competent jurisdiction to be contrary to law, the remaining provisions of the Contract will remain in full force and effect to the extent that the remaining provisions continue to make sense.

Workers Compensation: The Supplier shall carry Workers’ Compensation Liability Insurance as required by Ohio law for any Work to be performed within the State of Ohio. Failure to maintain Workers Compensation Liability Insurance for the duration of the contract and any renewal hereto will be considered a default.

Automobile and General Liability Requirements: During the term of the Contract and any renewal hereto, the Supplier, and any agent of the Supplier, at its sole cost and expense, shall maintain a policy of automobile liability and commercial general liability insurance as described in this clause. Copies of the respective insurance certificates shall be filed with the Purchasing Division within seven (7) calendar days after notification by the CML of its selection of the Supplier to provide the specified supplies and/or services. Failure to submit the insurance certificates within the time period will result in the Bidder’s Bid not being considered. Said certificates are subject to the approval of the CML Manager of Purchasing and shall contain a clause or endorsement providing thirty (30) days prior written notice of cancellation, non-renewal or decrease in coverage will be given to the Manager of Purchasing. Failure of the Supplier to maintain this coverage for the duration of the Contract, and any renewals, thereto may be considered a default.

The policy shall also be endorsed to include a blanket waiver of subrogation. The certificate shall be endorsed to reflect a per project/per location General Aggregate limit of $2,000,000. If the Supplier uses an umbrella/excess policy to meet the required limits, it is understood that the policy shall follow from per project/per location basis. It is agreed upon that the Supplier’s commercial general liability insurance shall be primary over any other coverage. The Purchasing Division reserves the right to approve all policy deductibles and levels of self-insurance retention.

**Contract Compliance:** The participating CML branches and departments will be responsible for the administration of the Contract and will monitor the Supplier’s performance and compliance with the terms, conditions and specifications of the Contract. If a branch or department observes any infraction, such infraction shall be documented and conveyed to the Supplier for immediate correction.
