

Response to Questions
Redevelopment of Grant Oak Apartments

Q. The RFP notice for Columbus / Redevelopment of Grant Oak Apartments, are you looking for a developer or a design team? Will Columbus Metropolitan Library still be the owner of the site? Or will the selected developer? Will the developer need to have a design team? Or do you anticipate a public RFP/RFQ for architectural services to go out in the future?

A. CML is looking to sell the site and is therefore looking for a developer. The decision on design services will be the responsibility of the developer.

Q. Is it possible to get a tour of the buildings?

A. Yes. Please contact Wanda Dixon at wdixon@columbuslibrary.org to arrange for a tour.
