Entire Agreement; Parties to the Contract: This contract is the entire agreement between the individual or entity selected to provide equipment, supplies and/or services on the basis of a SOW submitted to CML in response to a request (referred to as the Contractor in these Terms and Conditions) and Columbus Metropolitan Library (CML).

Contract Changes: Waivers, Changes or Modifications to this Contract must be made in writing and signed by both parties. If a party to this Contract does not demand strict performance of any item of this Contract, the party has not waived or relinquished any of its rights; the party may at any later time demand strict and complete performance of the term.

Contract Orders: CML will order supplies or services under this Contract from the Contractor directly. The Contractor may receive purchase orders by telephone, facsimile, electronically or in person by authorized employees of CML. The Contractor is not required to fill an order date more than 30 days beyond the date of Contract expiration, termination or cancellation, unless the Contract provides for a quarterly delivery or quarterly service. Under a Contract that provides for quarterly delivery, the Contractor is not required to fill an order with a delivery date of more than 90 days beyond the date of Contract expiration, termination or cancellation.

Standard Invoice and Payment

Invoice: The Contractor shall submit invoices to accountspayable@columbuslibrary.org. The invoice must be a proper invoice to receive consideration for payment. A “proper Invoice” is defined as being free of defects, discrepancies, errors or other improprieties. Improper invoices will be returned to the Contractor noting the areas of discrepancy.

Payment: In consideration for the Contractor’s performance, CML will pay the Contractor at the rate specified in the contract. Payments will be made by electronic funds transfer (EFT). For all transactions, the Contractor must have a valid W9 form on file with the Finance Department. The completed form should be mailed to: Finance Department, Columbus Metropolitan Library, 96 South Grant Avenue, Columbus, Ohio 43215.

Payment Due Date: CML will pay invoices 30 days after it has received an invoice for supplies and services it has received and accepted, unless otherwise indicated herein.
Taxes: Columbus Metropolitan Library is exempt for all federal, state and local taxes as CML is part of Franklin County Government and has a 501 nonprofit status.

Term of Contract: This contract is effective upon the projected beginning date of the Contract Cover Page or upon signature of CML by the Fiscal Officer, whichever comes later in time. This Contract will remain in effect until the Contract is fully performed by both parties or cancelled in accordance with the Terms found herein.

Contract Renewal: This contract may be renewed solely at the discretion of CML for a period of one month. Any further renewals will be by agreement of both parties, any number of times for any period of time. The cumulative time of all renewals may not exceed two years.

Delivery

F.O. B. The Place of Destination: The Contractor must provide the supplies or services under this Contract F.O.B., the place of delivery/destination, unless otherwise stated. The address of delivery will be specified by the purchase order or other ordering document. Freight will be prepaid unless otherwise stated.

Time of Delivery: If the Contractor is not able to deliver the supplies or services on the date and time specified by CML ordering department on the ordering document, the Contractor must coordinate an acceptable date and time for delivery. If the Contractor is not able to, or does not, provide the supplies or services to an ordering department by the time and date agreed upon, CML may obtain any remedy provided below or any other remedy at law.

Minimum Orders-Transportation Charges: For purchase orders placed that are less than the stated minimum order, the transportation will be prepaid and added to the invoice by the Contractor to the delivery location designated in the ordering documents. Shipment is to be made by private or commercial freight service, airmail, water, parcel post, express or commercial package delivery, whichever is the most economical and expeditious method for proper delivery of the item. Failure of the Contractor to utilize the most economical mode of transportation shall result in the Contractor reimbursing CML the difference between the most economical mode of transportation and the mode of transportation used by the contractor. Failure to reimburse CML shall be considered a default.

Contract Cancellation: Termination: Remedies

Contract Cancellation: If a Contractor fails to perform any one of its obligations under this Contract, it will be in default, and CML may cancel this Contract in accordance with this section. The cancellation will be effective on the date delineated by CML.

A. Contract Performance is Substantially Endangered: If the Contractor’s default is substantial and cannot be cured within a reasonable time, or if CML determines that the performance of the contract is substantially endangered through no fault of CML, CML may cancel this Contract by written notice to the Contractor.

B. Cancellation by Unremedied Default: If a Contractor’s default may be cured with a reasonable time, CML will provide written notice to the Contractor specifying the default and the time within which the Contractor must correct the default. If Contractor fails to cure its default in the time required, CML may cancel this Contract by providing written notice to the Contractor. If CML does not give timely notice of
default to Contractor, CML has not waived any of its rights or remedies concerning the default.

C. Cancellation by Persistent Default: CML may cancel this Contract by written notice to Contractor for defaults that are cured but persistent. “Persistent” means three or more defaults. After CML has notified Contractor of its third default, CML may cancel this Contract without providing Contractor with an opportunity to cure, if the Contractor defaults a fourth time. CML shall provide written notice of the termination to the Contractor.

D. Cancellation for Financial Instability: CML may cancel this Contract by written notice if Contractor does not pay its subcontractors and material suppliers within 10 days of payment to the Contractor by CML. To the extent permitted by law, CML may cancel this Contract by written notice to Contractor if a petition in bankruptcy or similar proceedings has been filed by or against the Contractor.

Contract Termination: CML may terminate this Contract for convenience after issuing 30 days written notice to the Contractor.

Remedies for Default:

A. Actual Damages. The Contractor is liable to CML for all actual and direct damages caused by the Contractor’s default. CML may buy substitute supplies or services, from a third party, for those that were to be provided by the Contractor, and CML may recover the costs associated with acquiring substitute supplies or service, less any expenses or costs saved by the Contractor’s default, from the Contractor.

B. Deduction of Damages for Contract Price. CML may deduct all or any part of the damages resulting from Contractor’s default from any part of the price still due on the Contract, after CML has provided prior written notice to Contractor of such default and intent to deduct damages from the Contract Price.

Force Majeure: If CML or Contractor is unable to perform any part of its obligation under this Contract by reason of force majeure, the party is excused from its obligations, to the extent that its performance is prevented by force majeure, for the duration of the event. The party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Contract. The term “force majeure” means without limitation: Acts of God, such as epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, and any other severe weather; explosions; arrests; restraint of government and people; strikes; and any other like events or any other cause that could not be reasonable foreseen in the exercise of ordinary care, and that is beyond the reasonable control of the party.

CML Consent to Assign or Delegate: The Contractor may not assign any of its rights under this contract unless CML consents to the assignment or delegation in writing. Any purported assignment or delegation made without CML’s written consent is void.

Indemnification: Contractor will indemnify CML, its employees, members of the Board of Trustees, and its Officers and administrators for any and all claims, damages, lawsuits, costs, judgments, expenses, liabilities that may arise out of, or are related to, the Contractor’s performance under this Contract, including the performance by Contractor’s employees and agents and any individual or entity for which the Contractor is responsible.
Confidentiality: Contractor may learn of information, documents, data, records and other material that is confidential in the performance of this Contract. Contractor may not disclose any information obtained by it as a result of the Contract without written permission from CML. Contractor must assume that all CML information, documents, data, records or other material is confidential.

Publicity: Contractor and any of its subcontractors may not use or refer to this Contract to promote or solicit Contractor’s or subcontractor’s supplies or services. Contractor and its subcontractors may not disseminate information regarding this Contract, unless agreed to in writing by CML.

Governing Laws; Severability: The Laws of the State of Ohio govern this Contract, and venue for any dispute will be exclusively with the appropriate court of competent jurisdiction in Franklin County, Ohio. If any provision of the Contract or the application of any provision is held by a court of competent jurisdiction to be contrary to law, the remaining provisions of the Contract will remain in full force and effect to the extent that the remaining provisions continue to make sense.

Workers Compensation: The Contractor shall carry Workers’ Compensation Liability Insurance as required by Ohio law for any work to be performed within the State of Ohio. Failure to maintain Workers Compensation Liability Insurance for the duration of the contract and any renewal hereto will be considered a default.

Automobile and General Liability Requirements: During the term of the Contract and any renewal hereto, the Contractor, and any agent of the Contractor, at its sole cost and expense, shall maintain a policy of automobile liability and commercial general liability insurance as described in this clause. Copies of the respective insurance certificates shall be filed with the Procurement Department within seven (7) calendar days after notification by the CML of its selection of the Contractor to provide the specified supplies and/or services. Failure to submit the insurance certificates within the time period may result in the Contractor being considered in default. Said certificates are subject to the approval of the CML Procurement Manager and shall contain a clause or endorsement providing thirty (30) days prior written notice of cancellation, non-renewal or decrease in coverage will be given to the Procurement Manager. Failure of the Contractor to maintain this coverage for the duration of the Contract, and any renewals, thereto may be considered a default.

Automobile Liability: Automobile Insurance is required for anyone coming onto CML branches and/or property to deliver goods or perform services using a vehicle, which is owned, leased, hired, or rented by the Contractor. Any Contractor, broker, or subcontractor who will be on CML property, but not delivering goods or performing services, is required to carry Automobile Liability Insurance that complies with the state and federal laws regarding financial responsibility. Automobile liability insurance, including hired, owned, and non-owned vehicles used in connection with the Work, shall have a combined single limit coverage covering personal injury, bodily injury (including death) and property damage of not less than $2,000,000 per accident.

Commercial General Liability: Insurance coverage with a $2,000,000 annual aggregate and a $1,000,000 per occurrence limit for bodily injury, personal injury, wrongful death and property damage. The defense cost shall be outside of the policy limits. Such policy shall designate CML as an Additional Insured, as its interest may appear. The policy shall also be endorsed to
include a blanket waiver of subrogation. The certificate shall be endorsed to reflect a per project/per location General Aggregate limit of $2,000,000. If the Contractor uses an umbrella/excess policy to meet the required limits, it is understood that the policy shall follow from per project/per location basis. It is agreed upon that the Contractor’s commercial general liability insurance shall be primary over any other coverage. The Procurement Department reserves the right to approve all policy deductibles and levels of self-insurance retention.

**Contract Compliance:** The participating CML branches and departments will be responsible for the administration of the Contract and will monitor the Contractor’s performance and compliance with the terms, conditions and specifications of the Contract. If a branch or department observes any infraction such shall be documented and conveyed to the Contractor for immediate correction. If the Contractor fails to rectify the infraction, the department/branch will notify the Procurement Department in order to resolve the issues. These terms and conditions will be used by the Procurement Department to resolve the issues.

**Warranties:** Unless otherwise stated, all supplies shall be new and unused. All products shall carry manufacturer’s warranties in addition to implied warranties. The Contractor warrants all supplies to be free from defects in labor, material, and workmanship (manufacturing) and be in compliance with the contract specifications.
