Changes Teens Would Like to See in the Community

What is something you'd like to see change in our community?

- Needing more community connections
- Helping the environment
- More support for the less fortunate
- Treating everyone with respect
- Addressing various forms of violence
- More public transportation
- Changes to how school works
- Others

A few example answers:

“Our distance from each other! I think a community is only as strong as the trust its people hold in each other, so I'd love to see that taken up a notch.”

“How the homeless community is treated. They deserve more of a chance at necessities.”

“More sustainable transportation options like walkable communities, and public transportation”

“More school funding”

“4 Day School Week!”

“Human trafficking”

“More cookies”
