- A. All employees are eligible for leave when required to serve mandatory jury duty or when subpoenaed and required to appear as a witness in a legal proceeding, not related to the employee's personal legal matters.
- B. An employee must notify their supervisor of the need for jury duty/witness leave as soon as the employee receives notice of their selection for jury duty or need to appear as a witness. The employee must provide a copy of the notice or subpoena to their supervisor when requesting the time off. This leave will not be deducted from the employee's Paid Time Off bank.
- C. Employees are expected to work their regularly scheduled hours which do not overlap their jury duty or appearance as a witness in a legal proceeding. Employees should report to work if they are dismissed from jury duty before the end of their scheduled work day, or if their appearance as a witness ends with two or more hours remaining in their scheduled work day. Employees on jury duty or witness leave, for an 8-hour day and/or 40-hour week are not required to report to work for evening and/or weekend hours.
- D. Exempt employees will be paid their normal salary while on jury duty or witness leave. Non-exempt employees who work in positions authorized for at least 1,040 hours a year (at least 20 hours per week) will receive pay for leave hours that overlap their regular work hours.
- E. All employees will be permitted to keep any jury duty pay or witness fee
