

# How to print your vision ID card using myuhcvision.com

Thanks to our convenient paperless benefits and claims, **you do not need a member ID card to use your benefits.** However, if you'd like one, you can easily print one.

## Steps to print your Vision ID card

Your ID card will be personalized with your name, member ID, as well as your exam and materials copay amounts.

- 1 Go to [myuhcvision.com](http://myuhcvision.com).
- 2 Log in or register. Do not register if you also have medical coverage with UnitedHealthcare. Use the single sign-on option through [myuhc.com](http://myuhc.com) instead.
- 3 Click on "Print ID Card." If you do not see this option, click on the blue "Select" button next to your plan name.
- 4 From the drop-down menu, select the person whose ID card you would like to print. Click on "View."
- 5 This generates a document with your ID card called *How to Use Your Vision Care Benefits*. Scroll to the bottom of this document. A toolbar will appear; click on the printer icon to print.
