

QUICK START OPEN ENROLLMENT GUIDE

The purpose of this guide is to provide you with a high-level overview of your Open Enrollment steps. For details on medical plan design, copays, deductibles and exclusions, see the 2024 Benefits Guide located on columbuslibrary.org -> Employee Benefits.

Highlights of 2024 Benefit Enhancements

- CML has partnered with UnitedHealthcare (UHC) to bring you and your eligible dependents a proactive, highly personalized support: Advocate 4Me Elite. This Elite solution connects UHC members with Advocates who help guide you throughout the health care journey to make informed decisions.

Annual Open Enrollment

- You have the opportunity to change your benefits each year during open enrollment. Open Enrollment elections are effective January 1 of the new plan year.
- Failure to complete timely enrollments will result in ineligibility for benefits coverage until the next open enrollment period.

Employee Open Enrollment Requirements:

- Confirm current coverage and enrolled dependents, or make changes for the following year.
- If eligible, choose a Medical, Dental and/or Vision plan. **Note** this is a **passive enrollment** for all plans, which means that your 2023 enrollments roll over into 2024 unless you update them. Please note that the Flexible Spending Accounts (Health Care, Dependent Care and Limited Purpose) and the Health Savings Account require an active enrollment each year.
- Enroll in or update previous year selections for voluntary benefits (Dependent Life, Supplemental Spouse & Child Life, Legal Insurance, Pet Insurance, and Supplemental Retirement Plans).
- If eligible, enroll in Supplemental Health Plans (Accident, Critical Illness, and/or Hospital Indemnity).
- Employees and enrolled spouses who have completed an annual preventive care visit are eligible to receive a discount on their medical plan premiums. Employees with single coverage may receive up to \$300 per year. Employees and spouses (or domestic partners) may receive up to \$600 per year. The discount is divided on a per payroll period basis.
- If your spouse or domestic partner can obtain health insurance through their employer, and you are choosing to enroll them in CML's health plan, a \$200 per month additional health premium charge will be applied.

Your benefits eligibility is determined by the number of hours you are regularly scheduled to work each week.

Medical Plan Choices

You have the opportunity to choose from two health plans: The Preferred Provider Plan (PPO) or the High Deductible Health Plan (HDHP) paired with a Health Savings Bank Account (HSA). Our health plans are administered by UnitedHealthcare.

If selecting an HSA, based on IRS guidelines, employees may contribute a maximum of \$4,150 (or \$8,300 family) annually to an HSA bank account. CML will contribute up to \$600 for Employee coverage (\$1,000 for Employee+1/Family) towards the HSA. CML will contribute 50% on a per payroll period basis and the remaining 50% as a 1:1 match in July.

Flexible Spending Plans

You may set aside a portion of your pay on a pre-tax basis in a health care and/or dependent care Flexible Spending Account (FSA). This money can then be used to reimburse yourself for eligible health care and/or dependent care expenses.

Employees enrolling in the HSA can't elect FSA Health Care but may instead may enroll in the Limited Purpose FSA.

Dental Coverage

The dental plan is administered by Delta Dental and covers diagnostic and preventive services such as exams, cleanings and others.

Vision Coverage

The vision plan is administered by UHC Vision Insurance and covers routine eye exams and discounts on contacts, frames and lenses.

Dependent Life Insurance

Under the Basic Life Insurance Plan, full-time employees may elect dependent life insurance which provides financial protection by paying you a benefit in the case of a dependent's death.

Supplemental Life Insurance for Employee

You can purchase supplemental life insurance for yourself in units of \$10,000 up to \$600,000.

Evidence of insurability is required for any amount of your life insurance over \$190,000.

Supplemental Life Insurance for Spouse and Dependent Children

You can purchase optional life insurance for your spouse in units of \$10,000, up to the lesser of 100% of your amount of supplemental life insurance, up to \$600,000. Evidence of insurability is required for the amount of your spouse's insurance over \$50,000.

You can purchase optional life insurance for your dependent children in units of \$10,000.

Accident Insurance

Helps to protect you financially when unexpected accidents occur. It pays the employee a cash benefit on a schedule of conditions, including injuries, medical services and treatments as well as hospitalization.

Critical Illness Insurance

Softens the financial and emotional impact of a critical illness. It provides a lump-sum payment directly to you upon diagnosis.

Hospital Indemnity Insurance

Helps reduce the financial impact of unexpected health-related events.

Legal Insurance

The legal plan through LegalEase offers participants and their eligible dependents access to legal advice and services from a network of attorneys with coverage for many personal legal issues.

Pet Insurance

This pet insurance program is available through PetsBest. The cost of pet insurance depends on the pet's age, breed and zip code. Pet insurance is a direct-bill service. This means that you will work directly with PetsBest on the pricing and payment of their services.

Supplemental Retirement Plans

CML also offers you the opportunity to contribute to two supplemental retirement accounts. Both plans allow you to enhance your retirement savings through voluntary pre-tax contributions. You may make changes at any time during the year.

- Newport 403(b) plan (pre-tax contributions).
- Ohio 457 Deferred Compensation (pre-tax and post-tax options available).
- Annual maximum contribution for each plan is \$23,000 and each is subject to over age 55 catch-up provision.

Benefits Offered at No Cost to You

CML offers a robust package of benefits to support our workforce, at no cost to you. For more details about no-cost offerings such as Short-Term Disability, Long-Term Disability, Basic Life Insurance & Accidental Death & Dismemberment, Paid Time Off, Headspace, Cancer Bridge and Real Appeal, please see the 2024 Benefits Guide.
