

Self-Directed Activity:

Try out an AI chatbot (like [Google Bard](#)) with one of these fun prompts:

“Write me a pun-filled birthday message.”

“Write a sequel/prequel about [CHOOSE A MOVIE].”

“What would a conversation between a smartphone and a book look like?”

“Write a short story about an alien who came to Earth just to try out fast food.”

“Write a letter of complaint from a vampire about garlic bread at a restaurant.”

“Describe your perfect day as an AI language model.”
