 - g. Total Allowable Points - 1,000 points
2. CML may invite any or all Proposers to present an oral presentation on the specifics of their technical and/or price submission. Proposers will be provided with sufficient notice to prepare.

3. Members of the CML evaluation committee may choose to retain their original technical score following the oral presentation or may choose to re-score any or all Proposers following oral presentations. The final score will be collected and recorded by the CML procurement staff.
4. A single Proposer may be selected for one or more branch projects listed.

Evaluation of Quality of Proposer’s Proposal:

Members of the CML evaluation committee will utilize a zero (0) to five (5) scale to evaluate each proposal. Members of the evaluation committee will apply the scoring formula outlined below:

Zero (0)	Unsatisfactory	Does not conform to CML requirements.
One (1)	Poor	Conforms to CML requirements in a limited manner.
Two (2)	Satisfactory	Generally meets CML requirements with limitations.

Evaluation of Proposer’s Cost Proposal:

CML will rank costs on a relative basis to determine the cost score. CML will calculate the Proposer’s cost score after the technical evaluation committee has concluded its review. The Proposer’s cost score will be assigned in the following manner:

$$\frac{\text{Lowest Responsive Price Proposal}}{\text{Cost of Proposer’s Proposal Submission}} \times 300 \text{ Points} = \text{Total Cost Score}$$

Example: $\frac{\text{Lowest Responsive Price Proposal } (\$100,000)}{\text{Proposer Proposal Submission } (\$110,000)} \times 300 \text{ Points} = 273 \text{ Points (of a possible 300)}$.

The Total Composite Score will be comprised of the Technical Proposal Score + Cost Score which will not exceed 1,000 points.

Contract Award

The Library is not, by virtue of issuing this RFP, obligated to enter into a Contract and reserves the right to not issue a Contract as a result of this solicitation.

CML will enter into negotiations with the Proposer with the highest composite score following the final technical scoring by the evaluation committee. The selected Proposer will be invited to negotiate a contract with CML. The contents of the selected proposal,

together with the RFP and any formal questions and answers generated during the proposal process, will be incorporated with and made part of the final contract as developed by CML. Should negotiations fail to result in a signed contract within thirty (30) days, CML reserves the right to terminate negotiations and select the Proposer whose proposal is determined to be the next most advantageous to CML.

All Proposers that respond will receive notification if they have been selected or not.

Columbus Metropolitan Library

Standard Contract Terms and Conditions

Contract Components, Entirety, Changes Interpretation

Contract Components: This contract consists of the complete Invitation to Proposal (RFP), including the Instructions and Interpretations to Proposer, the Contract Terms and Conditions, the Special Contract Terms and Conditions (if any), the specifications, and any written addenda to the RFP; the completed sealed written Proposal, including proper modifications, clarifications and samples; and applicable, valid Columbus Metropolitan Library (CML) purchase orders or other ordering documents (together referred to as the "Contract"). The terms solicitation and Invitation to Proposal (RFP) have similar meaning and are used interchangeably, where appropriate.

Entire Agreement; Parties to the Contract: This contract is the entire agreement between the individual or entity selected to provide equipment, supplies and/or services on the basis of a Proposal submitted to CML in response to an RFP (referred to as the "Supplier" or the "Contractor" in these Terms and Conditions) and Columbus Metropolitan Library (CML). References to "Vendor" in any of the contract components are deemed to refer to the Supplier or Contractor selected to provide the specified equipment, supplies and/or services that are the subject of the Contract.

Contract Changes: Waivers, Changes or Modifications to this Contract must be made in writing and signed by both parties. If a party to this Contract does not demand strict performance of any item of this Contract, the party has not waived or relinquished any of its rights; the party may at any later time demand strict and complete performance of the term.

Contract Orders: CML will order products, supplies or services under this Contract from the Supplier directly. The Supplier may receive purchase orders by telephone, facsimile, electronically or in person by authorized employees of CML.

Subcontracting: The Contractor may not enter into subcontracts for the Work after award without written approval from CML. The Contractor will not need CML's written approval to subcontract for the purchase of commercial goods that are required for satisfactory completion of the Work. All subcontracts will be at the sole expense of the Contractor unless expressly stated otherwise in the Contract.

CML's approval of the use of subcontractors does not mean that CML will pay for them. The Contractor will be solely responsible for payment of its subcontractor and any claims of subcontractors for any failure of the Contractor or any of its other subcontractors to meet the performance schedule or performance specifications for the Project in a timely and professional manner. The Contractor will hold CML harmless for and will indemnify CML against any such claims.

The Contractor will assume responsibility for all Deliverables whether it, a subcontractor, or third-party manufacturer produces them in whole or in part. Further, CML will consider the Contractor to be the sole point of contact with regard to contractual matters, including payment of all charges resulting from the Contract. The Contractor will be fully responsible for any default by a subcontractor, just as if the Contractor itself had defaulted.

If the Contractor uses any subcontractors, each subcontractor must have a written agreement with the Contractor. That written agreement must incorporate this Contract by reference. The agreement must also pass through to the subcontractor all provisions of this Contract that would be fully effective only if they bind both the subcontractor and the Contractor. Among such provisions are the limitations on the Contractor's remedies, the insurance requirements, record-keeping obligations, and audit rights. Some sections of this Contract may limit the need to pass through their requirements to subcontracts to avoid placing cumbersome obligations on minor subcontractors. This exception is applicable only to sections that expressly provide exclusions for small-dollar subcontracts. Should the Contractor fail to pass through any provisions of this Contract to one of its subcontractors and the failure damages CML in any way, the Contractor will indemnify CML for the damage.

Standard Invoice and Payment

Invoice: The Contractor shall submit invoices to Accounts Payable, Finance Department via the following e-mail address: accountspayable@columbuslibrary.org . The invoice must be a proper invoice to receive consideration for payment. A "proper Invoice" is defined as being free of defects, discrepancies, errors or other improprieties. Improper invoices will be returned to the Supplier noting the areas of discrepancy.

Payment: In consideration for the Supplier's performance, CML will pay the Supplier as invoiced. *Payments will be made by electronic funds transfer (EFT).* For all transactions, the Supplier must have a valid W-9 form on file with the Finance Department. The completed form should be included with the Proposal or mailed to: Finance Department, Columbus Metropolitan Library, 96 South Grant Avenue, Columbus, Ohio 43215.

Payment Due Date: CML will pay invoices 30 days after it has received an invoice for products, supplies and services it has received and accepted.

Taxes: Columbus Metropolitan Library is exempt from all federal, state and local taxes as CML is part of Franklin County Government and has a 501 nonprofit status.

Term of Contract: This Contract is effective on the date it is fully-executed and will continue until the Project is completed, unless canceled in accordance with the Terms found herein.

Contract Renewal: This Contract may be renewed solely at the discretion of CML for a period of one month. Any further renewals will be by mutual agreement of both parties, as stated herein. The cumulative time of all renewals may not exceed two (2) years.

The Place of Destination: Where applicable, the Supplier must provide the products, supplies or services under this Contract F.O.B., the place of delivery/destination, unless otherwise stated. Time of Delivery: [Not required]

Minimum Orders-Transportation Charges: [Not required]

Contract Cancellation: If a Supplier fails to perform any one of its obligations under this Contract, it will be in default, and CML may cancel this Contract in accordance with this section. The cancellation will be effective on the date delineated by CML.

- A. **Contract Performance is Substantially Endangered:** If the Supplier's default is substantial and cannot be cured within a reasonable time, or if CML determines that the performance of the contract is substantially endangered through no fault of CML, CML may cancel this Contract by written notice to the Supplier.
- B. **Cancellation by Unremedied Default:** If a Supplier's default may be cured with a reasonable time, CML will provide written notice to the Supplier specifying the default and the time within which the Supplier must correct the default. If Supplier fails to cure its default in the time required, CML may cancel this Contract by providing written notice to the Supplier. If CML does not give timely notice of default to Supplier, CML has not waived any of its rights or remedies concerning the default.
- C. **Cancellation by Persistent Default:** CML may cancel this Contract by written notice to Supplier for defaults that are cured but persistent. "Persistent" means three or more defaults. After CML has notified Supplier of its third default, CML may cancel this Contract without providing Supplier with an opportunity to cure, if the Supplier defaults a fourth time. CML shall provide written notice of the termination to the Supplier.
- D. **Cancellation for Financial Instability:** To the extent permitted by law, CML may cancel this Contract by written notice to Supplier if a petition in bankruptcy or similar proceedings has been filed by or against the Supplier.

Contract Termination: CML may terminate this Contract for convenience after issuing 30 days written notice to the Supplier.

Remedies for Default:

- A. **Actual Damages.** The Supplier is liable to CML for all actual and direct damages caused by the Supplier's default. CML may buy substitute supplies or services, from a third party, for those that were to be provided by the Supplier, and CML may recover the costs associated with acquiring substitute supplies or service, less any expenses or costs saved by the Supplier's default, from the Supplier.
- B. **Deduction of Damages for Contract Price.** CML may deduct all or any part of the damages resulting from Supplier's default from any part of the price still due on the Contract, after CML has provided prior written notice to Supplier of such default and intent to deduct damages from the Contract Price.

Force Majeure: If CML or Supplier is unable to perform any part of its obligation under this Contract by reason of force majeure, the party is excused from its obligations, to the extent that its performance is prevented by force majeure, for the duration of the event. The party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Contract. The term "force majeure" means without limitation: Acts of God, such as epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, and any other severe weather; explosions; arrests; restraint of government and people; strikes; and any other like events or any other cause that could not be reasonable foreseen in the exercise of ordinary care, and that is beyond the reasonable control of the party.

CML Consent to Assign or Delegate. The Supplier may not assign any of its rights under this contract unless CML consents to the assignment or delegation in writing. Any purported assignment or delegation made without CML's written consent is void.

Indemnification: Supplier will indemnify CML, its employees, members of the Board of Trustees, and its Officers and administrators for any and all claims, damages, lawsuits, costs, judgments, expenses, liabilities that may arise out of, or are related to, the Supplier's performance under this Contract, including the performance by Supplier's employees and agents and any individual or entity for which the Supplier is responsible.

Confidentiality: Supplier may learn of information, documents, data, records and other material that is confidential in the performance of this Contract. Supplier may not disclose any information obtained by it as a result of the Contract without written permission from CML. Supplier must assume that all CML information, documents, data, records or other material are confidential.

Publicity: Supplier and any of its subcontractors may not use or refer to this Contract to promote or solicit Supplier's or subcontractor's supplies or services. Supplier and its subcontractors may not disseminate information regarding this Contract, unless agreed to in writing by CML.

Governing Laws; Severability: The Laws of the State of Ohio govern this Contract, and venue for any dispute will be exclusively with the appropriate court of competent jurisdiction in Franklin County, Ohio. If any provision of the Contract or the application of any provision is held by a court of competent jurisdiction to be contrary to law, the remaining provisions of the Contract will remain in full force and effect to the extent that the remaining provisions continue to make sense.

Workers Compensation: The Supplier shall carry Workers' Compensation Liability Insurance as required by Ohio law for any work to be performed within the State of Ohio. Failure to maintain Workers Compensation Liability Insurance for the duration of the contract and any renewal hereto will be considered a default.

Automobile and General Liability Requirements: During the term of the Contract and any renewal hereto, the Supplier, and any agent of the Supplier, at its sole cost and expense, shall maintain a policy of automobile liability and commercial general liability insurance as described in this clause. Copies of the respective insurance certificates shall be filed with the Procurement Department within seven (7) calendar days after notification by the CML of its selection of the Supplier to provide the specified supplies and/or services. Failure to submit the insurance certificates within the time period will result in the Proposer's Proposal not being considered. Said certificates are subject to the approval of the CML Procurement Manager and shall contain a clause or endorsement providing thirty (30) days prior written notice of cancellation, non-renewal or decrease in coverage will be given to the Procurement Manager. Failure of the Supplier to maintain this coverage for the duration of the Contract, and any renewals, thereto may be considered a default.

Automobile Liability: Automobile Insurance is required for anyone coming onto CML branches and/or property to deliver goods or perform services using a vehicle, which is owned, leased, hired, or rented by the Supplier. Any Supplier, broker, or subcontractor who will be on CML property, but not delivering goods or performing services, is required to carry Automobile

Liability Insurance that complies with the state and federal laws regarding financial responsibility. Automobile liability insurance, including hired, owned, and non-owned vehicles used in connection with the Work, shall have a combined single limit coverage covering personal injury, bodily injury (including death) and property damage of not less than \$2,000,000 per accident.

Commercial General Liability: The Supplier shall maintain insurance coverage with a \$2,000,000 annual aggregate and a \$1,000,000 per occurrence limit for bodily injury, personal injury, wrongful death and property damage. The defense cost shall be outside of the policy limits. Such policy shall designate CML as an Additional Insured, as its interest may appear. The policy shall also be endorsed to include a blanket waiver of subrogation. The certificate shall be endorsed to reflect a per project/per location General Aggregate limit of \$2,000,000. If the Supplier uses an umbrella/excess policy to meet the required limits, it is understood that the policy shall follow from per project/per location basis. It is agreed upon that the Supplier's commercial general liability insurance shall be primary over any other coverage. The Procurement Department reserves the right to approve all policy deductibles and levels of self-insurance retention.

Contract Compliance: The participating CML branches and departments will be responsible for the administration of the Contract and will monitor the Supplier's performance and compliance with the terms, conditions and specifications of the Contract. If a branch or department observes any infraction such shall be documented and conveyed to the Supplier for immediate correction. If the Supplier fails to rectify the infraction, the department/branch will notify the Procurement Department in order to resolve the issues. These terms and conditions will be used by the Procurement Department to resolve the issues.

Warranties: Unless otherwise stated, all supplies shall be new and unused. All products shall carry manufacturer's warranties in addition to implied warranties. The Supplier warrants all supplies to be free from defects in labor, material, and workmanship (manufacturing) and comply with the contract specifications.
