Employee Discount Resources

CML employees have access to two discount programs: **LifeMart** and **Working Advantage**.

- To access **LifeMart** -> MyHR -> Your Employee Discounts -> View my discounts.

- To access **Working Advantage** -> MyHR -> Working Advantage.
 - If you use a personal email address when setting up your account, you'll need to use the code: CMLFUN

We recommend comparing the discounts on each site to find the best value.

LifeMart:

- Offers a wide range of discounts on everyday items, travel, entertainment, and services.
- Known for providing discounts on financial services, wellness programs, and insurance.
- Generally, it focuses on practical savings for everyday expenses.

Working Advantage:

- Specializes in entertainment and travel discounts, including movie tickets, theme parks, and hotel stays.
- Often provides exclusive deals on events and attractions.
- May offer deeper discounts on specific entertainment options compared to LifeMart.
