

## Summer Ship

### Materials needed:

- Small paper plate or coffee filter
- Popsicle stick
- Colored paper – small piece
- Glue
- Scissors

### Directions:

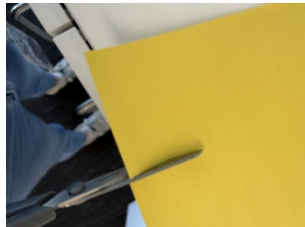

1. Cut the paper plate or coffee filter in half.

2. Glue the popsicle stick onto the paper plate or coffee filter.

3. Cut out and glue a triangle on to the top of the popsicle stick for the flag.

4. Decorate your boat/ship. Now get ready to sail into Summer!
